### RUBIO ANNOUNCES NEW COUNCIL/COMMITTEE APPOINTMENTS

**TALLAHASSEE**—Florida House of Representatives Speaker Marco Rubio today announced new council and committee assignments for the 2007-08 year.

Under House rules, all council and committee appointments made by the Speaker expire on August 1.

“The new appointments reflect a series of factors,” Rubio said in a statement announcing the changes. “We have had turnover among legislators which resulted in vacancies, new members have been elected, members have sought new assignments and members have demonstrated strengths in certain policy areas. We think this fine-tuning of council and committee leadership and membership will make the House even more effective in doing its legislative work. I very much appreciate the willingness of members to take on these important assignments. Interim committee weeks, the special session on budget cuts, and the 2008 session will be upon us soon. It is critical that we be well positioned to resolve the issues before us.”

Rubio also issued this statement in regard to his decision to not re-appoint State Rep. Bob Allen to his chairmanship of the Energy Committee and membership on the Environment and Natural Resources Council:

“The House will continue to respect Rep. Allen’s right to defend himself against the charges which arose when he was arrested on July 11. However, we must acknowledge that in addition to being a private citizen, he is a public official. As such, we are judged by a higher standard than procedural innocence. The mere perception of impropriety can interfere with our official function. It is my personal belief that because of the allegations against him, Rep. Allen can no longer effectively serve the people of his district in the Florida House.”

A copy of each House council and committee and its membership for 2007-08 is attached. A summary of changes affecting chairs and vice chairs of councils and chairs of committees follows:

***ECONOMIC EXPANSION AND INFRASTRUCTURE COUNCIL:*** Rep. Dorothy Hukill named as vice-chair.
